Daniels Family Funerals - Carlisle Chapel 3113 Carlisle Blvd NE, Albuquerque, NM 87110

The GNA-NM meeting and/or event will be held at Daniels Family Funerals-Carlisle Chapel. It is visible from the main road when driving on Carlisle – you will see a large Daniels sign. You will know you are close if you see Robertson and Sons Violin Shop, Bank of America, and Farm Bureau Financial Services.

When you arrive, you can park wherever you like and enter through the front double doors. GNA-NM members will be present in either the lobby or group meeting space - the reception hall - to greet you.

To access reception hall: Walk in the front doors – you will see the chapel on your left, office just past the lobby, and a long hallway to your right. Walk to the end of that hallway and you will be at the reception hall. If you run into any issues, simply proceed to the main office.

Though rare, there may be times where a funeral home is hosting an event at the same time; in those instances, please tell the attendant at the door that you are attending a GNA-NM program and they will direct you to the appropriate meeting place.
